Best regards,

Jaquel Pitts

Greetings,

My name is Bishop Dr. Jaquel Pitts, Ph.D. My biological father's name is Terrence Dokes.

I am interested in joining the class action lawsuit initiated by Brian Flores against the NFL.

I have applied to coaching positions in the NFL for the past 3-5 years and each year I have been discriminatorily denied.

My biological cousin Phillip Dokes Sr. played in the NFL

Darren Mcfadden is related to my cousin Tee Dokes and Phillip Dokes Jr. thus making Darren Mcfadden my

cousin-in-law. Darren Mcfadden knows of the Dokes family really well. Darren does not know the Pitts family. Darren knows the Dokes family.

Terrence Dokes is my biological father.

I have another cousin-in-law by the name of Daved Benefield who played in the NFL who is related to my biological cousin Dre Dokes who played in the CFL. Benefield and Dokes' mother, Shannon Dokes, are first cousins from Little Rock, Ark.

I declared for the 2015 NFL Draft as an underclassman. I played college football at Trinity International University. I played high school football at Central Valley High School in Ceres, California. I have been a part of the following professional football teams as a player. Cleveland Patriots, Harrisburg Stampede, Arkansas Twisters, and San Jose Sabercats.

My resume is attached.

I have a Ph.D. in counseling from Northwestern Christian University. I have a master's degree in History from American Military University. I have a bachelor's degree in University Studies from Mayville State University. I have an associate degree in Psychology from Yuba College. I have an associate degree in Kinesiology from El Camino College. I have a certificate in athletic coaching from Fullerton College. I am certified as a certified personal trainer from the international sports science's association.

I was in foster care for 14 years.

I have a mental disability.
